SureFlow Touch Series

Counter Top Push Buttons DB500,
DB1000 and Wall Mounted DB600-W.

The new SureFlow Touch is the ideal option for self-service, allowing the option for a push and hold dispense or a timed filled measure to a specific size vessel.

SureFlow Dual Chamber

The new SureFlow Dual Chamber gives the user the ability to program two different temperatures which is ideal for a variety of beverages, two separate on/off switches allows you to turn one side off during quieter periods.
